BUSINESS MEET ON ENERGY AUDIT

24 February 2012, Kochi

Organised by

Energy Management Centre - Kerala

In association with

Society of Energy Engineers and Managers

supported by

**Directorate of Environment and Climate Change
Government of Kerala**

BUSINESS MEET ON ENERGY AUDIT

Government of Kerala have recently made Energy Audit mandatory for HT/EHT consumers and High Rise Buildings vide GO (Rt) No.2/2011/PD dated 01.01.2011. In order to sensitise the auditee enterprises / institutions / establishments the need of a proper Energy Audit and the importance of the contents of the Audit Report, the necessity of a common venue for the auditors and the auditees is much felt.

Objectives of the Meet:

- ★ Sensitising the enterprises on the requirement of a proper Energy Audit and on the contents of the report
- ★ Discussion on the guidelines of Mandatory Audit
- ★ Compliance Requirement and Methodology on Energy Management Standard ISO 50001
- ★ Overview on Energy Efficient Technologies in the most common systems like pumping, lighting, etc.
- ★ Energy Audit as a cost reduction tool, illustrated with case study presentations
- ★ One-to-one meet with empanelled energy auditors to help evolve an action plan

Highlight of the Meet:

Participants are given a chance to discuss with the empanelled energy Auditors of EMC to gather from them the methodology of energy audit exercise, its costs, time span etc. Therefore they are advised to come with relevant energy conservation/equipment related data.

Participants:

Energy professionals, Engineers, Managers in charge of energy conservation and management activities in HT/EHT enterprises, High Rise Buildings, Faculties from Engineering Colleges who are interested to take up energy audit related exercises.

Programme Schedule:

- 09:30 - 10:00 - Registration
 - 10:00 - 11:00 - Inaugural session
 - 11:30 - 12:15 - Energy Audit, in its real sense
 - 12:15 - 12:35 - EnMS: ISO 50001
